SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON APPLICATION 050101974

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests post's assistance in conducting a pre-license check on application 050101974 for the export of a Bell UH-1H helicopter to South Africa. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Leading Edge Aviation, unfamiliar foreign end user.

¶4. ACTION: Embassy is requested to make inquiries with appropriate Leading Edge officials to determine if it has ordered the Bell UH-1H helicopter and plans to use the aircraft for the purpose stated on the license. Department requests that Embassy conduct a site visit to Leading Edge (if this is geographically/financially feasible, otherwise contact by phone and request documents via email or fax) in order to provide an assessment of its business operations, on-site security, and general reliability as a recipient of United States Munitions List (USML) items. POC at Leading Edge is Mark Jackson, President, TEL: 27-13-741-3654, reference PO # 5874 dated March 25, 2008. The following questions are offered as suggested guidance with Leading Edge:

- Can Leading Edge provide documentation firmly establishing its order for the helicopter from the U.S. applicant, Tamarack Helicopters?
- For what purpose will the helicopter be used?
- Does Leading Edge understand that the aircraft may not be operated in prohibited countries, per Section 126.1 of the International Traffic in Arms Regulations (ITAR)?
- Does the company understand the restrictions on United States Munitions List (USML) articles, particularly regarding re-export and retransfer?
- Who are the company's main clients?

If a site visit is not possible, please inform PM/DTCC case officer. END ACTION.
